Description & Dimensions

Stately, streamlined and completely cosmopolitan - the Randolph Collection is a fine example of "urban classicism". Crafted from cast aluminum, each piece is crisply detailed, with striking oval mullions and a shallow pyramid cap. With two finishes, two types of seedy glass (both included) you can customize the look for your home!

Dimensions: 14 1/4" H x 8" W (fixture only without chain). Canopy: 5" square. Height is adjustable using the included 5' of chain. Lighting: The incandescent version uses one medium base bulb, 100W max. The LED option uses a 15W LESM-100 integrated LED engine (included). Incandescent bulb not included.
